DETAILED ACTION

Allowabl Subject Matter

The following is an examiner's statement of reasons for allowance:

Claim 1 recites an implantable medical device comprising an implantable housing for containing electronic circuitry, an antenna compartment integral to the housing having a dielectric window, a wire antenna within the compartment, and circuitry within the housing connected to the antenna for transmitting and receiving a modulated RF carrier through the dielectric window.

Claim 14 recites a method for constructing an antenna in an implantable device comprising the steps of providing an antenna compartment integral to a conductive housing for containing electronic circuitry, wherein the antenna compartment has a dielectric window, disposing a wire antenna within the antenna compartment, and connecting circuitry within the housing for transmitting and receiving a modulated RF carrier to the antenna.

None of the prior arts shows or suggests this device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
